Prepared Especially For: Pat Sample

Dear Pat:

We have been asked on many occasions, what exactly is included in our Total Rewards package?

Many of us have a tendency to think of it solely as our "pay and benefits" - but the idea of Total Rewards is much more than that. It's a wide-ranging package of benefits and opportunities that belong to you.

As you take the time to review your statement, reflect on each of these components:

- Cash Compensation
- Benefits
- Our Culture
- Professional Development
- Work/Life Balance

As our company continues to grow and evolve, we continually seek to improve our technology and user experience. For the first we are excited to provide your personalized Total Rewards Statement online for you and your family to access and review anytime.

Sincerely,

Pat Sample

Your own total rewards production platform

Communicate all of the company's rewards programs. Include any number of rewards by category to get your total rewards marketing message across...

- Cash Compensation (salary, bonus, commission, overtime shift differential, FTE, allowances, etc.)
- Long-Term Incentives
- Equity Value
- Retirement Projections
- Health and Welfare programs
- Income Protection programs
- Financial/Retirement programs
- Work/Life programs
- Career advancement opportunities

Your own total rewards promotion platform

Promoting your total rewards marketing campaign is critical to a successful project outcome. With the Promotion feature you can...

- Send email messages before project launch, once you go live and post-launch
- Design beautiful HTML emails with colors, banners, links and images
- Target employee groups with different messages
- Test your messages before sending
- Send follow-up emails to employees who haven't logged in or taken the survey

Your own total rewards analytics platform

Analyze key performance indicators in your campaign to drive maximum utilization and facilitate reporting...

- View all your email promotions and drill down to specific promotions for detailed tracking
- Create surveys of any length or type (even by group) to gauge campaign effectiveness
- Track responses and comments by survey
- Archive the most effective surveys for future use
- Track utilization in aggregate and over time

Your own total rewards reporting platform

With all of your company's total compensation data in one consolidated system, you can strategically re-purpose that data for your executive team's consumption.

- View high-level compensation and benefits data
- Drill down to individual rewards program by total, number of participants and average by participant
- Print an attractive, branded report to share with key executives
- Position your HR team as a valuable and strategic business partner

Total Rewards Marketing Success

Ten reasons why our platform and professional services will deliver a superior customer experience and help ensure your project has the best chance of success.

TotalRewards Builder checks all the boxes...

- ✓ Powerful, yet easy-to-use cloud platform
- ✓ Market all of your financial and non-financial rewards for maximum impact
- ✓ Generate both print and secure, web-based total rewards statements
- ✓ Choose between different styles and layouts for your statements
- ✓ Produce personalized statements for your top job candidates
- ✓ Send promotional HTML emails to drive maximum utilization
- ✓ Communicate your organization's mission, culture and values through integrated video
- ✓ Produce global statements in local language and local currency
- ✓ Analyze the effectiveness of your campaign with built-in analytics and reporting
- ✓ Survey employees right from the platform
